Technical specifications:

Modell	Drop Stop	without Drop Stop	with Drop Stop
			The drop stop holder prevents water from running back through the hand sprayer. The hose guide is above the ceramic, and the hand sprayer always hangs horizontally over the basin.
<p>Leva classic shape</p> <p>Ceramic single lever mixer in a classic and timeless shape. The mixing lever is slightly rounded and tapers at the front.</p>	<p>color mixer tap</p> <p>color hand sprayer</p>	 3000766 Leva Classic	 3005095 Leva Drop Stop
<p>Zepa elegant shape</p> <p>The elegant shape makes the Zepa ceramic single lever mixer an eye-catcher. The design is still timeless.</p>	<p>color mixer tap</p> <p>color hand sprayer</p>	 3000768 Zepa Classic	 3000767 Zepa Drop Stop
<p>Quadra angular shape</p> <p>For fans of angular, puistic design, there's Quadra. Here, the mixer lever and hand shower are angular and give the mixer a modern look.</p>	<p>color mixer tap</p> <p>color hand sprayer</p>	 3000071 Quadra Classic	 3000772 Quadra Drop Stop
<p>Aurum noble in gold</p> <p>Now brand new and the total eye-catcher is the single lever mixer tap Aurum in gold. Color and shape make Aurum an elegant highlight in every salon!</p>	<p>color mixer tap</p> <p>color hand sprayer</p>		 3000771 Aurum Drop Stop
<p>Nero black is beautiful</p> <p>What has been modern in the private bathroom for some time now also comes into the salon - the mixer tap completely in black. Nero does particularly well in salons with lots of black details!</p>	<p>color mixer tap</p> <p>color hand sprayer</p>		 3000773 Nero Drop Stop
<p>Thermo constantly warm</p> <p>So that the water does not get too hot ... Equipped with scald protection, stepless temperature control up to 38°C.</p>	<p>color mixer tap</p> <p>color hand sprayer</p>	 3000774 Thermo Classic	 3000770 Thermo Drop Stop
