## STYLING UNIT **SANIDA**

### Description:

The Sanida styling unit is the latest addition to our #HNCbyKolibri product family.

Made from old planks, the worktop seems to be floating on the wall. Neither feet nor angles, just chic!

The length can be determined individually, because we build this piece of jewelry individually just for you.

Available as standard as a double operator station (see figure) or a single station version. Can be extended to any length on request!

- 3002620      length up to 150 cm
- 3002621      length up to 250 cm
- 3002622      length up to 350 cm
- 3002623      length up to 500 cm
