**5.2 HAIDRESSER CHAIR FRANKFURT** classic and timeless design • sit elegant

Our latest base Edgy makes the Haidresser chair Frankfurt an absolute design object in this configuration. The new linear base stand perfectly complements the steel industrial armrests. Here, too, reclaimed wood is perfectly staged. In addition, the Makari upholstery in nude gives the Frankfurt chair an ultra-modern look thanks to its textile structure.

Configuration of this offer: Haidresser chair Frankfurt, fixed backrest, upholstery Skai® Makari nude, armrest Industrie steel with light reclaimed wood, base Edgy GL silver

To view the detailed configuration of the haidressers chair, please scan this QR code.

5.3 HAIDRESSER CHAIR HANNOVER clear and straight line shape • generous upholstery • timeless design

We love the Haidresser chair Hannover in this dark, reduced look. The black powder-coated industrial armrests with dark reclaimed wood application go perfectly with the black base with plate foot. The whole thing is rounded off by the environmentally friendly upholstery Skai® Evida in dark moss, which even meets the Öko-Tex Standard 100.

Configuration of this offer: Haidresser chair Hannover, tilttable backrest, upholstery Skai® Evida dark moss, armrest Industrie black with dark reclaimed wood, base Round black

For those who prefer it cool, the Haidresser chair Cologne in this configuration is just the right thing. Because the cover in Skai® Pavinto sea blue, the steel-colored Opus armrests and the silver base stand give Cologne a cool look. In addition, the white decorative seam gently emphasizes the seat. The chair has an inclinable backrest so that it can be used anywhere.
