infrared dryer  
**S33**

**i** Wall mount hood is attached on plaster!

**Description:**

**Professional infrared dryer with five temperature- and five ventilation levels**

- /// five temperature levels
- /// four integrated fans with five ventilation levels
- /// touchless temperature sensor
- /// customer button to regulate temperature ("clientkey")
- /// hair length adjustment with the click of a button
- /// easy to use
- /// elegant design
- /// housing colour: titanium

Whisper-quiet despite the high performance: the S33 infrared dryer features four integrated fans that direct the heat where it is needed. Five temperature and ventilation levels allow perfect fine-tuning. The reliable pro device is suitable for perm-, colouring-, and highlighting treatments as well as tonings and gentle drying. The infrared dryer is available in a free standing version as well as for wall or ceiling mounting. The wall-mounted hood will be attached on plaster.

**Options:**

- A003062 on tripod
- A003063 wall arm
